

## **APPENDIX D**

### **LIST OF PREPARERS**

**Elizabeth Ballard, USDA Forest Service, Bitterroot National Forest, Resource Coordinator**

Contribution: Minerals analysis

Education: Bachelor of Science in Forestry and Natural Resources from the University of California, Berkeley

Experience: Forest Service – 34 years in minerals, recreation, wilderness, special uses, timber, and heritage resource management  
Bureau of Land Management - 2 years in land use planning

**Robert Brassfield, USDA Forest Service, Bitterroot National Forest, Fisheries Biologist**

Contribution: Fisheries analysis

Education: Bachelor of Science in both Fisheries Science and Wildlife Science from Oregon State University; Master of Science in Biology (Fish Ecology) from Idaho State University

Experience: Forest Service – 22 years in fisheries management  
US Fish and Wildlife Service - 2 years in fisheries management

**Jean Comer, GIS Specialist**

Contribution: Data Base administration, GIS analysis, and Map preparation

Education: Bachelor of Science from University of St. Francis

Experience: Forest Service – 14 years in GIS Support  
Other private, national and international organizations – 35 years in Information Technology

**Shirley Ehmann, USDA Forest Service, Bitterroot National Forest, Editorial Assistant**

Contribution: Editor

Experience: Forest Service – 29 years in special uses, purchasing, administrative support, 12 years in NEPA support

**Amy Fox, USDA Forest Service, Bitterroot National Forest, Environmental Coordinator**

Contribution: Environmental Coordination

Education: Bachelor of Science in Forestry from the University of Kentucky

Experience: Forest Service – 13 years in forestry, natural resource planning, and environmental coordination

**Christopher Fox, USDA Forest Service, Bitterroot National Forest, Interdisciplinary Team Leader**

Contribution: Interdisciplinary Team Leader, Writer-Editor

Education: Bachelor of Arts in Economics from Hobart College; Master in Public Affairs with a concentration in Environmental Policy and Natural Resource Management from the School of Public and Environmental Affairs, Indiana University

Experience: Forest Service - 22 years in natural resource planning and economic analysis

**Debra D. Gale, USDA Forest Service, Bitterroot National Forest Staff Officer and Program Lead, Recreation, Wilderness, Trails, Special Uses and Wild and Scenic Rivers**

Contribution: Wilderness, Inventoried Roadless Areas, and Trails analysis

Education: Bachelor of Science in Forestry Management from Oregon State University; Bachelor of Science in Resource Recreation Management from Oregon State University

Experience: Forest Service - 28 years in recreation, timber, trails, wilderness management, minerals, and special uses

**Bill Goslin, USDA Forest Service, Bitterroot National Forest, Special Use Permit Administrator**

Contribution: Wilderness, Inventoried Roadless Areas, and Trails analysis

Education: Associate of Applied Science in Forestry Technology from Paul Smiths College

Experience: Forest Service – 37 years in engineering, timber sale preparation, silviculture, recreation, trails, wilderness, and special uses

**Sara Grove, USDA Forest Service, Bitterroot National Forest, Interdisciplinary Team Leader**

Contribution: NEPA Support

Education: Bachelor of Arts in Biological Sciences from San Jose State University; Master of Science in Forest Sciences from the University of Idaho

Experience: Forest Service – 25 years in pest management, timber, range, watershed management, and NEPA analysis

**Nick Hazelbaker, USDA Forest Service, Bitterroot National Forest, Trails Specialist**

Contribution: Trails Resource

Education: Certified Contracting Officer Representative for trail construction contracts (Northern Region Trail Training Cadre 1999-2005) teaching trail construction techniques, trail layout and design, and contract specification writing and package preparation.

Experience: Forest Service - 37 years in recreation, trails, wilderness management, and fire

**Mike Jakober, USDA Forest Service, Bitterroot National Forest, Fisheries Biologist**

Contribution: Fisheries analysis

Education: Bachelor of Science in Wildlife Biology from the University of Montana; Master of Science in Fish and Wildlife Management from Montana State University

Experience: Forest Service – 22 years in fisheries management

**Ruth Lewis, USDA Forest Service, Bitterroot National Forest, GIS Specialist**

Contribution: Data Base administration, GIS Analysis, and Map preparation

Experience: Forest Service – 31 years in Forest Plan Management, 14 years in GIS

**Dave Lockman, USDA Forest Service, Bitterroot National Forest, Wildlife Biologist**

Contribution: Wildlife analysis

Education: Bachelor of Science in Wildlife Biology from the University of Montana; Graduate level continuing education courses in wildlife and fisheries management from Utah State University, Portland State University, and Virginia Tech

Experience: Forest Service – 25 years in wildlife biology

**Cynthia Manning, USDA Forest Service, Regional Office, Social Scientist**

Contribution: Social Science and Civil Rights analysis

Education: Bachelor of Arts in Anthropology from the University of Pittsburgh; Master of Arts in Anthropology from the University of Montana; Post-Graduate Work at the College of Forestry and Conservation, University of Montana

Experience: Forest Service – 36 years: 13 years in archaeology, 23 years in social science

**Cole M. Mayn, USDA Forest Service, Bitterroot National Forest, Soil Scientist**

Contribution: Soils analysis

Education: Bachelor of Science in Environmental Engineering from Montana Tech of the University of Montana; Master of Science in Land Rehabilitation from Montana State University; Minor in Soils from Montana State University

Experience: Forest Service - 14 years in soils and watershed management  
Private Industry - 6 years in soils, land rehabilitation, and environmental engineering

**Monte Monroe, USDA Forest Service, Bitterroot National Forest, OHV Ranger**

Contribution: OHV Ranger and trail mapping

Experience: Forest Service - 15 years GPS (electronically mapped) OHV trails on National Forest, watershed crew supervisor

**Erin Nock, USDA Forest Service, Bitterroot National Forest, GIS Specialist**

Contribution: Data Base administration, GIS analysis, and Map preparation

Education: Bachelor of Arts in Environmental Studies from the University of Pittsburgh; Master of Science in GIS/Cartography from the University of Montana

Experience: Forest Service – 8 years in GIS support  
Non-profit group and the National Park Service – 2 years

**Kaye O. Olpin, USDA Forest Service, Bitterroot National Forest, Recreation Program Manager**

Contribution: Developed Recreation analysis

Education: Bachelor of Science in Forestry from Utah State University.

Experience: Forest Service – 24 years in recreation, trails, wilderness, minerals, lands, and special uses

**Linda Pietarinen, USDA Forest Service, Bitterroot National Forest, Botanist**

Contribution: Threatened, Endangered, and Sensitive Plants and Invasive Plants analysis

Education: Bachelor of Science in Biology from the University of South Carolina. Completed two years of graduate work in Botany and Environmental Studies at the University of Montana

Experience: Forest Service – 18 years in botany

**Jacob Pintok, USDA Forest Service, Bitterroot National Forest, Transportation Engineer**

Contribution: Transportation analysis

Education: Bachelor of Science in Construction Engineering Technology from Montana State University

Experience: Forest Service – 12 years in transportation planning – engineering

**Ed Snook, USDA Forest Service, Bitterroot National Forest, Hydrologist**

Contribution: Hydrology, Wetlands, and Watershed analysis

Education: Bachelor of Science in Forestry/Natural Resource Management from the School of Environmental Science and Forestry, State University of New York; Master of Arts in Geography/Water Resources from the University of Wyoming

Experience: Forest Service – 19 years in hydrology, 2 years surveying.

**Keith Stockmann, USDA Forest Service, Regional Office, Economist**

Contribution: Economic analysis

Education: Bachelor of Arts in Economics from Colby College; Master of Science in Environmental Studies from the University of Montana; Doctorate in Applied Wildland Economics from the University of Montana

Experience: Forest Service – 15 years as Economist  
Various land and wildlife management non-profit groups, Interagency Grizzly Bear Recovery, and as Wilderness Ranger – 7 years

**Robin Taylor-Davenport, USDA Forest Service, Bitterroot National Forest, Botanist**

Contribution: Threatened, Endangered, and Sensitive Plants and Invasive Plants analysis

Education: Associate of Arts from Central Arizona College; Bachelor of Science in Botany from Northern Arizona University; Masters of Science in Plant Research from Northern Arizona University

Experience: Forest Service – 4½ years as Botanist/Native Plant Coordinator  
Bureau of Land Management – 8 years as a Botanist

**Marilyn Wildey, USDA Forest Service, Bitterroot National Forest, Environmental Coordinator, Hydrology Technician**

Contribution: Environmental Coordination

Education: Bachelor of Science in Physical Education from the Boise State University

Experience: Forest Service – 30 years in hydrology, and 6 months in environmental coordination

**Mary H. Williams, USDA Forest Service, Bitterroot National Forest, Heritage Program Manager**

Contribution: Heritage Resources analysis

Education: Bachelor of Arts and Master of Arts in History from the University of Montana, with specialization in history of Montana and the West, and an emphasis on mining history and land use in the Northern Rockies. Graduate work in archaeology and cultural resource management.

Experience: Forest Service - 31 years in cultural resource management and historical research.
